

A1 Razor Wire

A1 Razor Wire

A1 Razor Wire is a spiral design coil with blades that deters scaling, cutting, or entry, and can be rapidly deployed on walls, fences, or as a stand-alone system, adapting to varied terrains while maintaining full security coverage.

HIGH-SECURITY BARRIER

Sharp, closely spaced barbs and spiral loops provide strong deterrence against climbing, cutting, or intrusion.

VERSATILE INSTALLATION

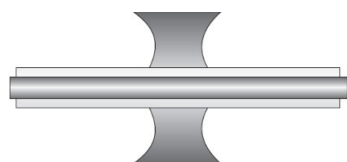

Can be deployed quickly on walls, fences, or as a stand-alone barrier, adapting to different site conditions and terrains.

MULTIPLE BLADE PROFILES

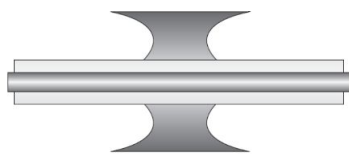

Available in a range of blade designs to suit varying security requirements

BLADE PROFILE OPTIONS
